V. Pray for us, O Blessed Mariana de Jesus,

R. That we may be made worthy of the promises of Christ.

Let us pray: O God, who through your virgin, Blessed Mariana de Jesus, have given us a model of fervent devotion to your Son, present in the Most Blessed Sacrament, grant us the grace we need, that we too may always receive the Holy Eucharist worthily. In Blessed Mariana de Jesus, you have given us an example of profound devotion to the Mother of your Son, a witness to fasting in her honor on Saturdays and the vigils of her feasts. You graced her to remain centered on you in her conversation, prayer, and work. Nurture within us that same childlike devotion and discipline with which you sanctified Mariana, so that others will come to know and love your Son in the Holy Eucharist and our holy Mother Mary. We ask this through Christ our Lord. Amen.
